Brief about the Artist

Ashraf is born in Cairo, the capital of Egypt in Monday 4 January 1971 at 10 am. The family discovered the talent at age of 5 years old at school. He kept getting support and information from his father (who was also gifted) till he moved to Fine Arts faculty in Zamalek, Cairo 1990.

He started his studies in the graphic section there for 5 years, participating at the same time to some exhibitions in and out of Cairo.

The artist believes that one day his work will be posted in art museums & will be famous

Exhibitions

My International experience was the *“Dialogue bleu et vert”* Art Exhibitions then modified with some extra graphic pieces about *“vision of centre Pompidou”* – 12 rue Du Parchamp 92100 Boulogne Billancourt, France. From 30 June to 11 July 2011. Creating my latest line of art using the blue & green photographs with graphic combination related to the Pompidou Centenaire a Paris as well as some acrylic paintings on white — The artist has been chosen to represent Egypt in the Azmy Organization member of the ICOM in Paris in the cultural exchange between SHONA Egypt and Europe.
